Willow's sire Caldadonia's Calling Heritage is a Canadian bred, well balanced bull, son of Calum Seoladair Dubh 2nd of Killochries. He is the only registered progeny from this great Scottish bull who is producing great calves in the United States. His calves are balanced, with nice profiles and incredible temperament. He seems to be a dominant bull in breeding; many of his traits seem to come through in the calves. On her dam's side you will
