

HONEY CREEK SOPHIE

Date of Birth: 04/24/2020 **Registration 1:** 60660

Honey Creek Sophie is a great heifer with great conformation. She was shown at the 2021 Husker Highland Classic, which is where we fell in love with her. Sophie gave us a beautiful silver hefier calf from WL Genesis a silver bull with great Scottish characteristics rates as good as you can get for docility! Sophie calved
