

Last Chance Kendall

Date of Birth: 04/27/2021
Registration 1: 63210

Kendall comes to us from the wonderful people at Last Chance Ranch in Hallock, MN. Jon and Britt raise some fantastic animals up by the Canadian border. Kendall is a deep bodied great specimen of what they raise. I am looking forward to adding these Schon Boden lines to our breeding program! She is to be bred to STR Homeland for a fall 2024 calf.
